(COMMUNITY RESOURCE MANAGEMENT)**

HCR 512: FOOD SECURITY AND COMMUNITY HEALTH

DATE: Thursday, 3rd May, 2012

TIME: 9.00 a.m. – 12.00 p.m.

INSTRUCTIONS:

Question 1 is COMPULSORY. Answer any other TWO questions from Section B.

1. The health of community members is a vital prerequisite to community development. As a Community Resource Mobiliser working with a health organization in Kibera, discuss how you would solve community health problems in this area citing a relevant example. [20 marks]

SECTION B: Answer any TWO questions from this section.

2. Food insecurity in Kenya has been classified as both chronic and transitory. This is more so in the Arid and Semi Arid Lands (ASAL) areas. Elucidate two factors that can attribute to this and explain two recommendations for each factor. [20 marks]

3. Turkana county is one of the counties that benefitted from 'Kenyans for Kenya Initiative'. As a Community Resource Manager of your organization in this region, discuss four strategies that you could execute in order to ensure food security in this area. [20 marks]

4. A food security programme was successfully implemented in a community. The impact evaluation findings indicated that the programme had achieved its objectives. Explain five factors that could have led to this. [20 marks]
