SECURITY MANAGEMENT AND POLICING STUDIES**

KPS 202: CRIME PREVENTION, CONTROL AND COMMUNITY SAFETY

DATE: Thursday 1st August 2019

TIME: 5.30p.m -7.30p.m

INSTRUCTIONS:

ANSWER QUESTION ONE AND ANY OTHER TWO

1. a) Explain three objectives of crime prevention [6 marks]
b) With examples, analyze any four ways in which crime prevention models differ [12 marks]
c) Apply Rational Choice Theory to discuss four strategies that can be implemented to reduce corruption in Kenya. [12 marks]
 2. "The terms crime prevention, control, reduction and community safety matter because their use infer the existence of approaches to addressing crime differ in terms of what the problem is to be addressed, who does it, how it is done, and with what consequences beyond the obvious one of controlling crime. Deconstruct this statement. [20 marks]
 3. Citing examples, examine five reasons why many crime prevention strategies in Kenya fail. [20 marks]
 4. The Cyber Security Report (2018) shows that companies in Kenya lost more than Ksh 29.8 billion through direct and indirect security breaches. In sequence, discuss five key activities Kenyan companies can undertake to develop a strong prevention strategy to counter the threat of cybercrime. [20 marks]
 5. Assess whether any one approach can be used to prevent crime or if some combination of approaches would be more effective. [20 marks]
